

Tuesday 14th November 2023

Dear parents/carers,

We would like to share some exciting news about our community bus project and associated schemes we would like to offer families.

We will be working in partnership with a charity called FareShare – this charity is the UK's longest running food redistribution charity. They believe that no good food should go to waste, especially when people are going hungry. For information about the charity, please visit [FareShare | Fighting hunger, tackling food waste in the UK](#)

This is a belief that we also share at Norbridge Academy, so with this in mind have arranged with FareShare, to collect surplus food from local supermarkets and distribute this amongst our school community.

The community bus will open every Wednesday and Friday morning between 8.30am – 9am for families to visit and collect food parcels if required. This offer is open to all Norbridge families, and everyone is welcome.

Please note – food parcels are based on availability from local supermarkets and will be distributed from our community bus on a first come, first serve basis.

Thank you for your continued support.

Kind Regards,

Miss R Jackson  
Associate Head of Academy
