

Thursday 14<sup>th</sup> December

Dear Parents/Carers

### **Aspiration Afternoon on Monday, 18th December**

We are writing to inform you about an exciting upcoming event, the Aspiration Afternoon, scheduled for Monday, 18th December. This event is designed to inspire and broaden the horizons of our students by exposing them to various careers and encouraging them to dream big.

During the Aspiration Afternoon, students will have the opportunity to listen to professionals from different careers, gaining valuable insights into various professions. Additionally, they will actively participate in activities related to the careers, fostering a deeper understanding of the skills and knowledge required in different fields.

To make this event even more engaging, we encourage students to come dressed up as the career they have been assigned. Teachers have already informed your child of the career they will be representing for the afternoon. Please support your child in choosing an appropriate outfit to reflect their assigned career. To help you with some ideas, here are examples of what children could wear for three specific careers:

#### **1. Photographer:**

- Wear dark clothing or a photographer's vest.
- Carry a pretend camera or wear a camera strap.

#### **2. Soldier:**

- Wear camouflage clothing or military-inspired attire.
- Add accessories like toy binoculars or a canteen.

#### **3. Manager:**

- Dress in business attire such as a shirt, tie, and dress pants or skirt.
- Consider carrying a clipboard or a briefcase to complete the look.

We believe that this event will not only be a fun and memorable experience for the students but will also encourage them to think about their future aspirations and goals. We look forward to seeing their creative interpretations of their assigned careers.

If you have any questions or concerns regarding the Aspiration Afternoon, feel free to reach out to your child's teacher or the school office.

Thank you for your continued support.
