

Friday 5th January 2024

KS2 Youth Club

Dear parents and carers,

We have an exciting new after school youth club starting every Thursday evening from 11th January 2024. The youth club will be available for all KS2 children to attend 6pm – 8pm and will include a range of exciting activities for children to participate in, such as;

- music
- dance arts
- sports
- adventure activities
- tabletop games
- craft and creative activities

The club hopes to have a positive impact on children's mental health and help to build relationships and social skills whilst in a safe and stimulating environment. Members of the school staff will be operating and running the club and are thoroughly looking forward to spending time with children from our school community.

The club will take place in the school hall and will have an entrance fee of £2, which will include a light snack (hot dog, sausage roll, sandwich) and a drink. Children can attend in non-uniform, however all other school expectations, including behaviour and codes of conduct apply. The use of mobile phones/smart watches will not be permitted during youth club hours. Children will not be permitted to walk home from the club and must be collected by an adult.

If your child is interested in attending the youth club, please pop along on Thursday 11th January - no booking required.

Thank you for your continued support.
