

Tuesday 20th February 2024

Bassetlaw Spring Clean

Dear parents and carers,

We have organised a litter picking event for the eco-warriors to participate in around our local area and would love to invite parents/carers and other family members to also attend.

The hope is that all taking part will feel that they have put something back into the local community and feel a sense of pride. It is also a fantastic way of ensuring we look after our mental health and wellbeing and educate children on the value of keeping the local area litter free.

Please see below for further details.

Date – Wednesday 27th March 2024

Time – 1.30pm – 3pm

Litter Pick Area – Valley Road & Valley Park

Parents/carers and wider family members will meet at school (see time above) and will accompany their child on the litter pick. All participants will be provided with a pair of gloves, coloured tabard, bag, and litter picker.

Children should return to school for 3pm and will be dismissed as normal from classrooms. Staff will also accompany children and families on the litter pick.

Please complete the slip below and return to Mrs Townsend ASAP.

Thank you for your continued support.
