Water Saving Tips

1. Only fill the paddling pool once per week.
2. Turn taps off after use.
3. Have a shower instead of a bath.
4. Complete a full load of washing.
5. Shorten your shower/bath time.
6. Collect rain water in a water butt/watering can to water flowers/plants.
7. Don't waste water.
8. Change your shower head regularly.
